🪪 PROFILE STATEMENT

Information Technology Graduate with experience working across the full stack of software development. I have developed a few projects by myself and I'm seeking a role where I can grow and learn whilst working alongside experienced team members.

💼 WORK EXPERIENCE

Part Time Web Development Intern,
The Client Catchers Ltd, Port-of-Spain
Aug 2020 – present

Full-Stack Developer Intern,
Alma Jordon Library, UWI St. Augustine
Jun 2020 – Aug 2020
- *Developed a curbside pickup system for the Library using the Laravel-PHP framework*

🗂 PROJECTS

myAdvisor
2021
> *Self-academic advising and GPA management system for the Department of Computing and Technology students at the University of the West Indies, St. Augustine.*

🫶 ABOUT ME

I am an open-minded, driven, and generally introverted person. I work well in teams as I adapt to changes with ease. Furthermore, I am open to challenges and constructive feedback and my aim is to constantly develop my professional and personal skills.
In my free time, I often enjoy video games and sports.
